

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBs0119/3dn
RNK:jld:wn

August 20, 2007

Please note that in this redraft, I placed the delayed effective date provisions into the text of the relevant statutory provisions rather than in a nonstatutory provision. See s. 101.136 (5), (6) (a) 1., and (6) (b) 1., as created in the bill. I think that this makes it easier to understand that contractors and mechanics will not need to be licensed until the first day of the 18th month after the effective date of the bill.

The bill also specifies that the Department of Administration may not require the Department of Commerce to prepare an economic impact report for the rules required under the bill as may otherwise be required under s. 227.137 (2), stats. Is this consistent with your intent?

Please feel free to contact me if you have any questions about this bill.
